## DECISION RECORD

### Decision Record Number 44

This document records a decision taken by the Police and Crime Commissioner, together with details of the advice he received prior to taking the decision.

### Decision taken

To terminate the lease of the Road safety Partnership premises in Sketty Close, Northampton.

### Details of advice taken

The Northamptonshire Road Safety Partnership was a predecessor to the current Road Safety Team.

The requirement for a Policing base of the magnitude the Northamptonshire Road Safety Partnership diminished. This afforded the opportunity to re-position the unit into other building stock. It was recommended to terminate the existing lease of the premises occupied.

The early release values were negotiated and ratified by solicitors for both parties.
