

## Northamptonshire Police and Crime Commission

### Freedom of Information Act

### Request Response

No. 004510/13

#### Question

Request details of all annual or one-off income payments received by each individual employer/member of the team of the PCC being paid below £58k. Can I do that here please...if you could forward to the relevant person. I am asking the same of other PCCs.

Can you also provide info on what Adam has achieved in the first year, eg progress reports on drugs and violence figures set against the targets announced by him when he took office. And also where he is disappointed. I appreciate it's year 1.

#### Answer

I have been asked to respond on behalf of the Police and Crime Commissioner's Office who hold the information requested as follows:

Details of all annual or one-off income payments received by each individual employer/member of the team of the PCC being paid below £58k.
