### **Decision taken**

The Police, Fire and Crime Commissioner has taken the decision to:

Agreed to awarding of a contract for Police I Fire Tranman to be provided by Civica Tranman for the period of contract 01/07/2021 - 30/06/2026 for the total contract value of £215,079.00 ex VAT. Tranman is the current system used by both Northamptonshire Police and NFRS and is widely used across the majority of Police and Fire services in the UK. This requirement is a proposal to upgrade the current Tranman system to Release 9 which will help to effectively manage processes and reduce costs through improved information management and more efficient data capture.
